

Chief Notes: Outpatient Clinics

By Jacob David, MD

(updated 6/2011)

Orthopedics, Pediatrics, Outpatient Specialties

- Be On Time, Please!
- AM clinics generally run 9am to noon, PM clinics from 1pm to 5pm
- Make time to get to morning CME conferences on Wednesday and Thursday mornings
- If on campus, attend noontime teaching on Tuesday (EKG rounds), Wednesday (Peds), and Thursday (Medicine)
- Make time to read the articles you're given, try to do this right after clinic which helps retain the knowledge!
