

VCMC Residency turns 80 / 40 this year !

**GP Residency begun 1928
FP Residency approved 1968**

Ventura County Medical Center has a long tradition of excellence in Medical Education. Drs. Smolt, Homer, Daily, Fainer and others laid the groundwork for a uniquely valuable program that continues to train

family physicians
for our future.

We would like to

celebrate with you by offering a Continuing Medical Education program with speakers from each of the decades of the FP residency and a reunion dinner at the nearby Ventura Marriott Beach Hotel. Come and see fellow residents from the past and help congratulate the graduating class of 2008. There will also be an opportunity to see the changes in the Medical Center and get an inside glimpse of our medical education facilities of the future !
