

Core Family Medicine Faculty Position Full Spectrum Training Program in Coastal California

The **Family Medicine Residency Program at the Ventura County Medical Center (VCMC)** is seeking a Family Medicine **core faculty member** to join our dedicated team.

About the Program

VCMC enjoys a long history of training **full spectrum Family Medicine** physicians to work with **underserved communities** in resource-limited settings. Our program attracts highly motivated and mission-driven residents eager to learn from engaged faculty.

Consistently ranked among the top programs in the country by Doximity's reputation survey, Ventura Family Medicine is a leader in training broad-scope physicians ready for diverse practice settings. Learn more at <https://www.venturafamilymed.org>.

Ventura, California is a vibrant coastal city located an hour north of Los Angeles, offering an outstanding quality of life, access to the outdoors and a strong sense of community.

Position Overview

Primary Care Teaching

- Establish a **primary care practice**
- **Precept residents** in continuity clinic and urgent care
- Further the clinic's **quality improvement** efforts
- Serve as a **faculty advisor** to residents
- Teaching, evaluation, and curriculum development.

Optional Clinical Areas (Based on candidate interest)

- **Inpatient Medicine:** Teach on the resident hospitalist service
- **Obstetrics:** Shared call in the continuity clinic's OB practice
- **Palliative Care:** Provide patient care and teaching on the Palliative Care team.

Ideal Candidate Qualifications

- California Medical License (or eligibility to obtain)
- ABFM board certification
- Teaching experience with residents or medical students
- Excellent clinical skills, including procedures

- Commitment to working with marginalized communities
- Spanish language skills

Compensation and Benefits

- Employed position with full benefits, paid vacation and CME allowance
- Pathway to partnership with the Ventura Faculty Associates
- Opportunity to develop skills alongside seasoned faculty
